THE MANY LOVES OF CORLISS ARCHER CHAPTER V (March 23, 1979)

The sun had barely set down behind the horizon, when the great winged bird of Western Airline landed on its long flight from Mexico City, it seems the old devil Bureaucrat had finally threw in the towel and ceded defeat to our fair haired hero....Who upon wrapping his arms around the soft body of his love--gave the taxpayers salute to the government a raised middle index finger...Sometime either at the end of this month or early in May..The wedding chimes will ring out from the Mission.
